## Mija's Message

MIJAAAAAAAAAAAAAS!!!!!! I'm back!!! Let me tell you my struggles with getting this baby back on track. Well, my hours got cut at my previous job, so I dipped out of there, then moved. I didn't have enough fund to keep Mija up, so as you know Mija went offline. When I finally, had the money to bring Mija back online, which was this February. My host sold the domain name "Mija Magazine.com" to some company from AUSTRIA!!!! I emailed that company using a Google translator and they replied, "The domain will be up for purchase on February 6th." "Great and Thanks" I said to myself. At the stroke of midnight that day I was ready to purchase MijaMagazine.com from them, only to find out some company from Washington bought it. So, I called them and they said it was going to cost me \$500.00 just for the domain. I basically said, "Screw you!" And now I am back here at MIJAMAG.com!

Welcome to a long awaited Issue 7! This has been the most challenging issue, but yet the most triumphant. You will also see that I learned some HTML and I got more ads on site. I am trying to make the magazine more interactive. WARNING, if you are using Firefox as a browser, the site may not look as attractive. I am working on that. If you can please, just for me, use Internet Explorer to view this issue.

Also, I would like to welcome our new affiliate WORLDDIGIBEAT.com. Swing on by to there and tell Luis, Mija Mag said, "Hello". We are just growing! I have alot of people to reply to as well. Just to let you know that a few things still need to be touched up such as ACADEMIJA and last issue's archives.
